

The Pay It Forward Promo

Last Modified on 09/01/2023 4:13 pm EDT

Every day, we see more and more examples of how the MV Community cares for and supports one another, and we think it's simply fantastic! So, to celebrate all your constant generosity, we thought it might be fun to try something new...

We're so excited to introduce Pay It Forward Week on ManyVids!

From Thursday, June 22nd to Wednesday, June 28th, we're getting 7 of our top Creators to help us spread the love on LIVE!

Here's how it will all work:

- Every day throughout the week-long promo, one of our top Creators will go Live on ManyVids between 5:00 PM EST and 10:00 PM EST.
- Once they're ready, they'll share a link to the live room of an up-and-coming Creator of their choosing.
- Then, the RAID begins – everyone will join the other live room en masse to shower the up-and-coming Creator with love, support, and a TON of Tokens!

So, Creators, how can you take part?

It's really simple: go LIVE between the times of 5:00 PM EST to 10:00 PM EST from June 22nd to June 28th for your chance to get raided by one of our top Creators, their fans, and the MV Team!

And if you want to increase your chances of being chosen, take to social media and let the MV Community know why your live room should be the next one chosen.

Members, be sure to join in on the fun by tuning into our top Creator's live room each night.

Please help us get the word out about our Pay It Forward promo by Re-MVing our [announcement post](#) and RT us on [X](#).

We can't wait to see whose live room gets raided first!
